

CHARGES FOR LATE PICK-UP

Family of Christ's goal is to care for the children in the best possible way. Children become anxious when it is time to go home and no one has come for them. **It is not only unfair to the child, but to the teacher as well because he/she cannot perform the pre-planning duties required at the time.** There are times you will see the teacher in conversation with a parent, as you pick your child up. Even though the teacher is still in the classroom, this does not mean that she is able to watch a child whose parent is late in picking him/her up. For these reasons, a stringent late pick-up fee is assessed.

If my child remains at the school past the scheduled program closing time, a late fee of **\$5.00 per minute**/per child will be charged. Late fees must be paid the first business day immediately following the date accrued.

I have received, read and signed the Late Fee Charges. Please return the bottom portion with your registration package or to the front desk.
